OBITUARY. Joseph N. Duchette.

Joseph N. Duchette passed away suddenly with heart trouble after a brief illness, at his home in Noank on Wodnesday, Dec., 8, at 11.76 p. m. He was born in Waitham, Mass., June 23, 1849, the oldest son of the late Na-poteon and Margaret A. Duchette. He potent land Margaret. A. Duchette. He was educated in the public schools of Norwich, later lived in New London and then went south. While in Norwich he was a police officer and was also in business for a few years. He was foreman of a railroad construction gang in the south and while in Tennesses 30 years ago, lost a leg: He was superintendent of the water works in Alken, Ga., for a short time. His last position was with the Waterbury Manufacturing Co., at Waterbury, but he has lived a retired life for the last ten years. He was an accountant of ability and a nightly respected citizen of Noank where he had lived for the past two years.

he had lived for the past two years.
Fifty-one years ago Mr. Duchette
married Miss Mary Jane Fish of Mystic married Miss Mary Jane Fish of Mystic who survives him. He is also survived by two sons. Julius C. Duchette of Boston, Mass., and Frank A. Duchette of Baltimore. Md. His only daughter, Mrs. Minnie B. Smith. passed away very suddenly in Hartford last March. There are two sisters, Mrs. Ashley T. Boon and Mrs. Richard O. Libby of this city; also a brother, Edwin B. Duchette of Owego, N. Y.

Mr. Duchette was a Mason, having joined a lodge while he was in the south.

THAMES BRIDGE FREE 'A proposal to aboush the toll charges on the Thames river highway bridge or at least to modify the toll charges on the bridge and do away with vehicular traffic

chase and operate the ferry.

The ferry problem confronting the city

The ferry problem confronting the city of New London is to be threshed out in the legislature and the question of Saturday night, Dec. 4th, 1928—adv.

Governor Marcus H. Holcomb has approved a requisition on the state comprised from \$46,150 to General L. F. Burpee for various accounts.

It is mentioned that Mrs. Thomas McGill of Hartford, has returned after a two months' stay with her daughter, Mrs. Edward B. Holton, of Groton.

Pyralin Ivory in sets and individual pieces. All guaranteed genume. The level of the farm with the daughter of the first would be maintained at a nominal expense sumply for the accomposition taken.

The ferry problem confronting the city of New London is to be threshed out in the legislature and the question of twe the question of the question of whether New London is going to be completed to operate the ferry at a loss or give up the franchise, or be allowed to into taken.

Then the lawyers conferred and Court Reporter Graham took the stand and read a statement that had been agreed to that the lawyers conferred and Court Reporter Graham took the stand and read a statement that had been agreed to that miss Benham ordered cluthes from him.

Both sides rested and Attorney Bergen of New Haven made the opinion taken.

But a lawyers conferred and court Reporter Graham took the stand and read a statement that had been agreed to that the lawyers condition to have a deposition to have a deposition to have a deposition to the legislature and the question of the upper of the probability in the next will be a statement that had been astatement that

bridge and the ferry would be maintained at a nominal expense sumply for the accommodation of foot passengers to whom
the boat would be a greater convenience
in wiew of the landings on either side of
utes and was followed by Major Hull in the river being more central in the two

towns, New Lendon and Groton.

Various arguments probably will be advanced when the matter comes up for consideration in the legislature, as it certainly will, but the present move on the part of the local automobile deal-

Co-mady.

Light as it was, Thursday mornin's snowfall was sufficient to prove that winter is a reality. For a time the walks were levenough to demand cautious traveling.

The district schools of Coventry will the toll bridges of the state free. He mailed the latter part of this week on the sufficient to prove that some a bit of investigating He said Thursday that he proposes to introduce a bill in the legislature to make the toll bridges of the state free. He mailed the latter part of this week on the subject of Daylight Saving Several duce a bill in the legislature to make the toil bridges of the state free. He expects opposition to such ameasure. 100,600 automobile owners in Connection the other hand there are nearly ticut who are more or less affected by the toil charges on bridges in this state. Connecticut is said to be the only state in New England where there are as many as three tool bridges within its borders, and so far as can be learned there is but one other toil bridge in all New England, and that one is near Portsmouth, No Ht., where a nominal charge of 10 or 1 cents is made.

The automobile owners are companies that the members will be mailed the latter part of this week on the subject of Daylight Saving. Several bills are now before congress on this matter and it is to secure the sentiment of the members that this question is to be submitted. The result will be sent to taxpayers, but failure to receive a bill does not relieve the taxpayer of his obligation to pay on time, the collector's announcement says.

CHRISTMAS SPAI SALES

The question of regulating solicitations from the manufacturers and business interests generally is being worked out. Every member of the Chamber of Commerce will be supplied with display cards

The automobile owners are companies to the interest of the subject of Daylight Saving. Several bilis are now before congress on this matter and it is to secure the sentiment of the members that this question is to be submitted. The result will be sent to taxpayers, but failure to receive a bill does not relieve the taxpayer of his obligation to pay on time, the collector's announcement says.

CHRISTMAS SPAI SALES

Mail order returns to the amount of the total within easy reach of the 52,782,222 on Thursday, bringing the total within easy reach of the 52,000 mark, and it is expected that the goal will

the amount of money which they pay the state, they should not be compelled to pay other fees every time they come to a river. The toll bridges form an integral part of the trunk line highways of this state and as such are under the control of the highway de-partment. partment.

It is not so great a hardship to im-pose a toll fee on turists who rarely have occasion to use a bridge, and it is doubtless a fair proposition to com pel out-f-state tourists to contribute through such manner, a fee for the privilege of using the highways of onnecticut but when a bridge is lo Connecticut but when a bridge is lo-cated as the Thames river bridge, between two towns where there is considerable travel all the time, it is feit to be a distinct hardship on res-idents of those towns to have to pay excessive tolls so regularly. The state of Connecticut built the bridge at Saybrook about eight or

nine years ago. It is understood at that time that tolls shuld be charged for a period of years sufficient to relmburse the state for the total cost of that bridge. It is believed that that sum has been received during the past eight or nine years. The state was authorized to issue bonds if nec-C. home fonight—adv.

JURY SUSTAINS ELLEN BENHAM'S WILL

Fifteen minutes was a long enough the final argument against the will, which time for the jury in the trial of the Ellen consumed 54 minutes. Attorney Burrows is the superior court here late Thursday afternoon sustaining the will.

When they had been out that time, they returned to the court room, where the foreman, Birdsey G. Palmer, of Voluntown, gave the verdict for the appelloss. This is the second appeal from probate that has been tried in this session of court and the second in which the will has Benham in person in the presence of three. court and the second in which the will has been sustained. The verdict thus declares the convic-

tion of the jury that Miss Ellen Benham of Groton was of sound and daposing mind and memory when she made her will, so that the three bequests she made will stand. These include a small trinket to I Lillian Hassam, a child in whom Miss Benham was interested.

ieast to modify the toil charges on the bridge and do away with vehicular traffic on the Groton-New London ferry is to be advocated by the association of automobile dealers in New London and is to have the backing of Senator-elect Cornelius Costello in the legislature.

The point is emphasized by a number ber of dealers that the competition between the state and the city of New London, the only surviving sate of the Episcopal church at Groton, where she was a member.

The entire estate amounts to about \$3,000.

The digit was pridge was opened.

Had it not been for the bridge the ferry would have found it a profitable enterprise, in the opinion of some, Despite the amount of toil charges across the bridge. Which are in excess of ferry toil, the principle has been ejoying the bulk of the patronage and will average throughout the year monthly net receipts of better than \$6,000 to \$7,000. The suggestion is also made that the state be asked to purchase and operate the ferry.

The ferry problem confronting the city of New London is to be threshed out in too nervous a condition to have a deposition to have a dep

the bridegroom was matron of honor and George Magowman was best man. Following the oeremony an informal reception was held after which Mr. and Mrs. Keirstead left for New York encoute to Florida, where they will spend their honeymoon.

ARREST NORTH MAIN STREET MAN IN LIQUOR RAID

Crai Karpinia, who conducts a saloon at 455 North Main street was arrested early Thursday evening when the local police raided his place. The police entered Karpinia's saloon and found, the proprietor selling liquor from a pitcher. When the police arrived Karpinia gave the pitcher containing the liquor to his daughter who tried to take it out of the saloon upstairs. The officers were took quick for her and took the liquor. In a search of the premises two bottles

He took up the question of testamentary capacity, saying that upon this point it was for the jurors to ask themselves, upon the evidence in the case, Did Ellen Benham at the time of the execution of the instrument possess sufficient intelligence and memory to fully comprehend the effects of her will, the condition of her property, her natural beneficiaries.

her property, her natural beneficiaries and those whom she might wish to dispose her property upon or withhold it from? He instructed the jury that the burden of proof was upon the proponents of the will on the claim of illegal execution and of testamentary capacity, but upon the contestants on the claim of undue influ-

contestants on the claim of undue influence.

He took up the question of undue influence and gave the definition that it must be such as would make the testator act contrary to her wishes and make a different will than she would have done it left to her own free will and judgment.

Judge Wolfe also discussed briefly the bearing that the hypotinetical question asked Dr. Wilcox had in the case, and he reviewed briefly the claims made through the evidence to show that Ellen Benham was or was not of unsound mind.

As a final word of instruction to the jury, he told them that it was not for them to write a will for Ellen Benham. The law gave her the right to dispose of

Taking Mether's Place.

What would you do if you were origined like I am, asked a little girl of a strong healthy man? "I can't run and play as other children do and I don't have the chance of woing to school all the time for mother is dead and daddy works as hard as he can to care for us children, but he is sick so much that I must stay home and do the work and care for my brothers and sisters. If I was only well, she said, I could do so much to help."

As he looked into that pale, careworn face and saw her drag her deformed limbs along on crutches and with the earnestness of her voice still ringing in his ears—"If I was only well I could do so much," he immediately reported her case to the Connecticut Children's Aid Society, which is now helping the father care for the other children, and

Doctors Stand Amazed at Power of Bon-Opto to Make Weak Eyes Strong-According to Dr. Lewis,

When the police arrived Karpinia gave the pitchen containing the liquor to his daughfer who tried to take it out of the sulcon upstairs. The officers were took quick for her and took the liquor. In a search of the premises two bottles of whiskey was found in a dresser, two doesn hottles of Kaiwaryjakie, 15 percent alcohol and two bottles of wine. Karpinia was held under hond for his supperarance in court thin (Friday) morning.

The police on Thursday went through several saloons in the city. They visited the places of Joseph P. Sullivan on Ferry street. The Commercial Heune conducted by Pank Denisl and the place of John McNamara on Railroad avenue. William E. Wilson's place on Frankin street. In each tast 184 Frankin street. In each case, not only the saloon premises were searched but the officers went all through the buildings without finding any liquor.

FIND COFFER BOILER

IN SEARCH FOR STILL.

The squad of federal agents working under the prohibition enforcement laws went through the home of Michael Bohars at the Falls his search of a reported still. The officers were unable to find the still but in one of the houses, found a coppr belier that had every appearance of having been used for the distilling of liquor. The tank was brought to the police station by the officers.

Information that was given out by neighbors to the officers was that on Wednesday after the raid of Tuesday night material that looked like a still had been removed and all evidence, had been cleared up. There were no arrests made by the officers who searched the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of the Bohara from cellar to gard the property of th

business jocations in the city.

Let us, if we must have great actions, make our own so. All action is of infinite elasticity, and the least admits of being inflated with celestial air until it eclipses the sun and the moon.-- Emerson.

The continuous mild weather has dis-couraged duck hunters. Very few of them are seen in the shore towns lately as the ducks fail to come in to be caught

WOMEN HAVE TO SMILE n a great many cases and try to make are racked with the pain of organic trouble. Few men realize how common such heroism is. The remedy for this condition is Lydia E. Pinkham's Vegetable Compound—a simple remedy made from roots and herbs, which for forty years has been overcoming the most obstinate ills of women. Every woman suffering from female ills ewes it to herself and family to give it a fair trial.
